Dear Licence Bureau Customer,

For many years I have been the Member of Parliament for Hemel Hempstead and a Minister in several departments. Certain Companies and Organisations come to light which deserve to be highlighted for the exemplary work they do within the community.

The role that Licence Bureau Ltd does is a vital piece of work; I have always been extremely impressed by the security measures that have been produced by Licence Bureau Ltd to secure all its data and their current processes have achieved ISO 9001 and ISO 27001 accreditation.

I think the most important work they do is give confidence to people employed to drive for their organisation that they are fit and proper and have the necessary qualifications for the role that they are taking on.

I have seen this business grow with its clear focus, ensuring that the Government as well is aware of identity fraud and compliance.

It is with great pleasure that I recommend Licence Bureau Ltd and acknowledge the team's exemplary role to businesses in my community.

Yours faithfully,

Mike Penning
